

Registration Information

Flowing Wells Junior High School

Dear Parents and Guardians,

Registration for all incoming FWJH 7th and 8th grade students begins July 2, 2018. Please follow all three steps below to register your student, and feel free to contact the school at (520) 696-8550 for assistance. Students transitioning to 9th grade at FWHS will receive separate registration directions. Junior High students who are new to the Flowing Wells District should contact the FWJH Office at (520) 696-8550 to register in person.

STEP 1: Establish a PowerSchool Parent Portal Account (as soon as possible)

See the attached handout for directions to establish this account and to link your student's information to your account. You may complete this process at any time. We recommend doing this as soon as possible rather than waiting until the registration window opens. (If you already have established a PowerSchool Parent Portal account, simply use your existing login information.)

STEP 2: Complete Online Registration (beginning July 2, 2018)

Log on to your PowerSchool Parent Portal account. On the lower left side of the screen, select "Registration 2018-2019." Enter information as prompted. Complete all required fields, and then select "Submit."

STEP 3: Complete In-Person Registration

Arrive at the FWJH Library during the dates/times listed below to complete the registration process.

- Tuesday, July 24, 11:00 AM to 6:00 PM
- Wednesday, July 25, 8:00 AM to 3:00 PM

Additional Information
